Dear Patients,

It has been my honor to provide our community gastroenterology care during the past 4 decades. I have had the privilege of meeting and caring for many wonderful people in my practice over these years. As of June 30, 2020, I will be retiring, and my partners will be taking over the care of my practice. I am confident that my partners will continue to provide compassionate and quality gastroenterology medical care.

Please know that all of your medical records are confidential and safely on file at Wilmington Gastroenterology Associates. If you decide to seek medical care outside of our practice, then you can follow the traditional routes to have your records transferred by contacting our office at (910) 362-1011.

I greatly value our relationships and thank you for your loyalty over the years. It has been a pleasure to know you and provide your care. Wishing you continued good health in the coming years.

Sincerely,

Dr. Joseph W. Kittinger III
